2022 Sacred Soul Retreat

What You Can Expect

You will join a small group of amazing people in this sacred beautiful place we have all to ourselves.

Through rich discussions, incredible live music, and quiet time to walk the woods or meditate, you will explore and access the deepest truths of your soul.

You will be exposed to advanced teachings while being guided through the process of creating a personal Sacred Covenant, or "soul contract." This unique and powerful tool creates clarity of mind and heart about the Divine inspirations seeking to express themselves through you.

As you re-enter your life, your Sacred Covenant will profoundly support you in living an awakened and fulfilling life you love!
